

10.0 LIST OF PREPARERS

<u>Agency Name</u>	<u>Education and Experience</u>
<p><u>Federal Highway Administration (FHWA)</u> George Hadley* <i>Environmental Program Coordinator Federal Highway Administration</i></p>	<p><i>BS in Civil Engineering Approximately 28 years of experience with NEPA</i></p>
<p>Cathy Kendall, AICP <i>Environmental Specialist Federal Highway Administration</i></p>	<p><i>BS in Economics MS in Urban and Regional Planning Over 21 years of experience in planning and project impact analysis</i></p>
<p><u>Florida Department of Transportation (FDOT)</u> Beatriz Caicedo-Maddison, P.E. <i>Consultant PD&E Supervisor</i></p>	<p><i>BS in Civil Engineering MS in Engineering Over 27 years of experience in Highway Engineering</i></p>
<p>Van Neilly <i>Assistant District Right of Way Manager Review of Conceptual Stage Relocation Plan</i></p>	<p><i>BS in Public Administration 29 years in right of way acquisition and relocation field</i></p>
<p>Fred Ackermann <i>Project Manager Review Conceptual Stage Relocation Plan</i></p>	<p><i>BS in Sociology 26 years in the right of way field, including both the public and private sectors of the industry</i></p>
<p><u>Keith and Schnars, P.A.</u> Michael Davis <i>Vice President Principal in Charge</i></p>	<p><i>BS in Biology and Environmental Sciences MS in Biology Over 33 years of experience in water resources, wetlands regulation, environmental policy, legislation and governmental relations</i></p>

Section 1.0
Summary
Overview of
Document and
Findings.

Section 2.0
Purpose of and
Need for Action

Section 3.0
Alternatives
Including
Proposed Action

Section 4.0
Affected
Environment

Section 5.0
Environmental
Consequences

Section 6.0
Section 4(f)
Evaluation

Section 7.0
Avoidance,
Minimization and
Compensatory
Mitigation

Section 8.0
Comments and
Coordination

Section 9.0
Commitments
and
Recommendations

Section 10.0
List of Preparers

Section 11.0
List of Agencies,
Organization and
Persons to Whom
Copies of the
Statement are
Sent

Section 12.0
Index

John Krane, P.E.
*Director of Transportation Planning
Project Manager*

*BS in Civil Engineering
Over 23 years of experience in senior level
management, preliminary engineering studies, site
impact analyses, intersection level of service analyses,
and project traffic development*

Barry Ehrlich
Deputy Project Manager

*BS in Environmental Technology and Urban Systems
Over 35 years of experience in the planning and
engineering field, specializing in Project Development
and Environmental Studies*

Harry Fulwood
Transportation Planner

*BS in Mechanical Engineering
MS in Transportation Planning and Management
Over 14 years of experience in Transportation Planning
and Engineering*

John Abbott, P.G.
Director, Environmental Sciences

*BS in Geology
MS in Geology
Over 16 years of experience supporting federal and
state environmental restoration projects*

Veronica Altuve, P.E.
Transportation Planner

*BS in Civil Engineering
Over 15 years of experience with transportation
planning, detailed traffic impact studies and operational
analysis*

Karin Dunne*
Junior Environmental Planner

*BBA in Management and Finance
Experience in the preparation and quality control of
environmental documents*

Bob Forand, P.E.*
Director, Structures

*BS in Architectural Engineering
Significant experience working with state, county and
local municipalities
Over 14 year of extensive experience in designing
bridges; retaining walls and foundations*

Justin Fries, E.I.
Structural Engineer

*BS in Civil Engineering
Over 4 years of experience in the structural design of
bridges.*

Kim Giles*
Director, Public Involvement

*BS in Communications
Over 6 years of experience in strategic planning and
business development
Extensive experience in public involvement and
outreach*

Yuri Hood, P.E.*
Highway Design Engineer

*BS in Civil Engineering
Over 7 years of experience in a variety of roadway
projects*

Joyce Howland
Environmental Sciences

Over 35 years of extensive experience in corridor permitting and compliance with the Florida Department of Transportation

Bob Krisak, P.S.M.
Director, Surveying

*AAS in Forestry
Over 33 years of experience in all phases of land and engineering surveying*

Derrick Lewis, P.E.*
Drainage Engineer

*BS in Civil Engineering
MS in Transportation Engineering
Over 10 years of drainage, water resources, storm water management trends and highway transportation project experience*

Fadi Nassar, Ph.D., P.E., PTOE*
Air and Noise Engineer

*BS in Civil Engineering
ME in Civil Engineering
Ph.D. in Civil Engineering (Transportation and Construction Management)
Over 21 years of transportation engineering experience, expertise in air quality and noise analysis*

Christina Pate*
Public Involvement Specialist

*BS in Communications
Over 6 years of experience in event/campaign planning and public outreach*

Marlene Pinnock
Document Preparation and Quality Control

*AA in Applied Science
Over 25 years in document preparation and quality control*

Coriann Salas, P.E.
Director of Structural Engineering

*BS in Civil Engineering
10 years of structural design experience encompassing complete project plans and specifications preparation, RFP development, repair and rehabilitation recommendations, design-build projects and plans reviews.*

Dawn C. Sonneborn, AICP
Director of Planning

Over 20 years of planning experience in both public and private sector projects. Includes business development and management, public involvement, long-range/comprehensive planning, visioning and redevelopment, transit oriented design, and property entitlements processes such as rezoning, land use plan amendments, due diligence studies, and eminent domain/expert witness services.

Kristine Stewart, Ph.D.
Environmental Scientist

BS in Biology
MS in Biology
Ph.D. in Biology / Plant Ecology
Over 25 years of experience in plant ecology and botany in environmental and wetland assessments, with expertise in research and experimental design

Bryan Wilson, P.E.
Director, Highway Design

BS in Civil Engineering
Over 25 years of experience in the design and management of highway transportation projects
Expertise with project plans preparation and development

Kimley-Horn and Associates, Inc.

Paul Cherry, P.E.
Senior Vice President
Quality Control

BS in Engineering Technology
23 years experience performing Project Development & Environment Studies for Florida Department of Transportation

Lynn Kiefer, PWS
Quality Control

MS in Oceanography / Coastal Zone Management
18 years of experience conducting environmental analyses for and preparation of NEPA documents for highway projects

Deborah L. Wilson, AICP
Quality Control

MS in City and Regional Planning (MCRP)
28 years of experience preparing NEPA documents for highway and airport projects

Reynolds, Smith and Hill

Erik Neugaard, AICP, GISP
South Florida Environmental
Socio Cultural Effects Report and
Conceptual Stage Relocation Plan

BS in Natural Sciences
MS in Marine Biology
24 years of environmental and planning experience, specializing in NEPA analyses

John Palm, AICP
Senior Planner
Socio Cultural Effects Report

BS in Geography
MA in Regional and Community Planning
32 years of planning experience

Kristi Capobianco, GISP
GIS Analyst
Socio Cultural Effects Report

BS in Environmental Sciences
MS in Geography
5 years of environmental and planning experience, specializing in GIS analyses

Chris Dailey, GISP
Senior Environmental Scientist
Conceptual Stage Relocation Plan

BS in Biology
16 years of environmental and planning experience, specializing in NEPA analyses

Zachary Bush, CEP-IT
Environmental Scientist
Socio Cultural Effects Report
Conceptual Stage Relocation Plan

BS in Biology
4 years of environmental and planning experience,
specializing in NEPA analyses
